PUBLIC MEETING

Winthrop Beach Shore Protection and Winthrop Shore Drive Improvements Update

Tuesday, May 17, 2016 – 6:30 p.m. – 8:00 p.m.

Robert A. DeLeo Winthrop Senior Center – Council on Aging
35 Harvard Street, Winthrop, MA 02152

At this meeting, DCR will present information on re-grading activities taking place on the northern section of Winthrop Beach over the next few weeks.

DCR will also provide information on the scope of an engineering peer review conducted by Tetra Tech, Inc. of the earlier-completed shore protection activities on the northern half of the beach. Tetra Tech is reviewing past studies, reports, and permitting and construction document to determine if the project was designed and built in accordance with sound coastal engineering practices and if suitable material was placed on the beach.

Finally, DCR will share plans for additional public meetings to be held on Winthrop Shore Drive/upland improvements design and construction.

The public meeting will also include an opportunity for questions-and-answers.

The public meeting presentation and associated materials will be viewable after the meeting on DCR's website at <http://www.mass.gov/eea/agencies/dcr/public-outreach/public-meetings>.

If you wish to be added to an email list to receive DCR project-specific or general announcements, please email Mass.Parks@state.ma.us or call 617-626-4973.
